

Engineering 95th Anniversary

The Faculty of Engineering celebrates its 95th Anniversary this year, with a grand reunion dinner in Loke Yew Hall on November 3. All proceeds from the dinner will go to the Faculty to set up scholarships.

Class of 1971 – 35th Anniversary Reunion

Engineering Class

The Mechanical, Electrical & Electronic, and Civil Engineering Class of 1971 celebrated their 35th Anniversary on June 23, 2006 with their teachers, Dean of Engineering and Pro-Vice-Chancellor Professor Joseph Lee.

“Hope that we will all celebrate the 40th, 45th and many more anniversary dinners together!” Ir Simon Ho 何錫安, Convenor of the anniversary reunion.

Social Sciences Group A

Twenty-three graduates from Class of 1971 Social Sciences Group A got together at the Hong Kong Club in late June to celebrate the 35th anniversary of their graduation. The event was a wonderful success with many fond memories and nostalgic exchanges! The Class also took advantage of the occasion to collect donations for their *alma mater*.

BSc Biology Class of 1990

Reunion Dinner

The BSc Biology Class of 1990 had an unforgettable 16th anniversary dinner in April. Class members and their families joined the gathering and took this opportunity to catch up with each other. All classmates are invited to join the next reunion. Email: alberty@mekim.com

Class of 1966 (History Major) Reunion

A group of History Major graduates of '66 initiated a reunion in Toronto, Canada in June to commemorate their 40th anniversary. Its celebration activities included pot luck, mahjong games, a two-day-one-night stay at the beautiful resort of Niagara-on-the-lake where, apart from the sumptuous meals and shopping, the main highlight was enjoying a play at the Shaw festival, and finally climaxing in a dinner gathering which included also graduates of English Literature, Economics and History Minor.

The History Major group has held similar reunions in the past, usually every five years. The last one was held in 2001, also in Toronto where the majority of the group now reside. The History Major group is now contemplating holding a reunion more often, for instance one every two years instead of five. Many may be surprised to know that the group which took nine-paper History has held regular monthly dinner gatherings over the past 40 years!

Electrical Engineering Class of 1986

"Twenty years after their graduation, the Electrical Engineering Class of 1986 met again on June 23 to share laughter and glee again. Instead of counting As and Bs, we were tallying how many children we have and exchanging tips for getting Form One places. We were thankful to our special guests of honour: Professor YC Cheng, Professor Paul Cheung and Professor CC Chan.

A statistical note regarding the 92 graduates of '86: 13 gained first class honours, at least four earned PhDs and there were only two ladies (both came)."

And you may like to test yourself with the following quiz:

- Name any female Civil Engineering students who joined us for maths classes.
- What was the famous afternoon tea treat at the union canteen called?
- What was the name of the Faculty newsletter? And if you really need to know, the answer is "Rotor"!

Class of 1981 Silver Jubilee Reunion

港大81 傷健共融 Inclusion & Opportunity

In keeping with a good old HKU tradition, members of the Class of '81 have come together to organise a series of reunion activities to rekindle friendships and refresh their memories of their University days, and to do something meaningful together.

1981 was declared the International Year of Disabled Persons (IYDP) by The United Nations. The Class of 1981 Reunion Organising Committee Chairman Mr Chong Chan-yau 莊陳有 (BA 1981) said, "In celebrating our silver jubilee reunion, we would like to connect the University with the community, to connect graduates with current HKU students, and to connect our life experiences to the people with disabilities who are still denied the opportunities they deserve."

A "Class of '81 Inclusion Fund '81共融基金" will be set up to encourage HKU students to conduct services for people with disabilities in Hong Kong and the Mainland.

Class of '81 members and friends,

"We look forward to seeing you at our reunion and your support to the "Class of '81 Inclusion Fund"!"

Class of '81 Silver Jubilee Organising Committee

Left: Two world-renowned blind golfers, Mr David Morris (right), three-times World Champion of blind golfing, and Mr David Blyth (left), President, International Blind Golf Association, were invited to kick off the project.

Reunion Events*

* Proceeds (after the deduction of necessary costs) from the events will go to the "Class of '81 Inclusion Fund".
