About the Company

Virtua Partners is a global private equity firm specializing in commercial real estate. We sponsor a variety of investment funds and commercial real estate projects across North America.

Virtua Partners has offices in Phoenix, Atlanta, San Diego, Newport Beach, and Hong Kong. Virtua engages in restructuring, development, structured finance, debt and equity origination, asset and property management, and fund management. Hotel Equities, one of Virtua's operating subsidiaries, is a leading third-party hotel management company in North America.

Job Description:

- Assist in financial modelling and underwriting
- Assist the team in M&A analysis, feasibility studies, and marketing presentations
- Conduct macro/industry research on the US real estate market
- Other ad-hoc projects assigned by the management
- At least 2 month full time internship
- Possible return offer for excellent candidates

Requirements:

- Graduates in Finance, Economics, Real Estate, Hotel Administration, Business Administration, Accounting or other related fields from reputable institutions preferred; fresh graduates are welcomed
- Strong analytical, writing, presentation and communication skills
- Experience in conducting macro/industry research independently
- Excellent financial modeling skills
- Proficient in Excel and PowerPoint
- Excellent command of both written and spoken English
- Command of Mandarin would be a plus
- Training will be provided
- Return offer and IANG visa available for outstanding candidates
