The pioneer group of Green Gown Guides enjoyed a lively training session on docent technique delivered by alumnus and Assistant Curator of Antiquities & Monuments Office, Mr Joseph Chow 周志廉 (BA 1991, PCEd 1996).

What is a Green Gown Guide?

A HKU student volunteer, as the tour guide, will be dressed in traditional “Green Gowns” – the official attire formerly worn by all undergraduates for formal occasions including examinations and High Tables. They will take you through the University’s most famous buildings and landmarks, and share with you interesting stories and anecdotes.
