ANNIVERSARY

HKU will be celebrating its Centenary in 2011

The 95 lb birthday cake was specially designed for the occasion by Dr James Wu, Chairman of Maxim's Group.

Members of the HKU Family participated in a torch relay, which symbolises the passing of great traditions from one generation to another.

The 229th Scout Troop of Hong Kong has been set up since 1986 by HKU graduates for their young children.

On March 25, more than 400 alumni, staff, students and friends joined the 95th anniversary party at Loke Yew Hall.

A student introduced the conceptual models of the Centennial Campus to alumni and guests.
