It has been our amazing good fortune in New Zealand to be able to freely enjoy our gatherings in the past two months in the Covid-19 pandemic! Our deepest thanks must go to all the people who through their hard work and dedication have made this possible!

Special Messages

Professor Kennedy Francis Shortridge
6th April 1941 – 8th November 2020

It is with great sadness that we bid farewell to Professor Ken Shortridge.

We are so proud that Ken has been our Honorary Life Member. His research and service in the fields of Virology and Public Health is world renowned and recognized.

He has honored us with his interest and support over the years and our members loved and respected him very much.

Our sympathy and thoughts are with Joyce and her family at this time.
